Work Trip & Picnic

Bring your family, your gloves and elbow grease. This is really what the club is about... having fun and making certain we have trails to use by taking care of the wilderness areas and promoting responsible land use.

Plan on coming up the evening before and camping if you can. We are meeting at Bobbie Thompson campground Friday. From the Fox Park turnoff on highway 230, it is about 8 miles. Just follow the signs to "Keystone" and watch for the Bobbie Thompson campground sign; it's well-marked, cross the bridge and head in!

Saturday meet at 9:00 at the Muddy Creek trailhead. Dean will have all the tools we need for the projects he has planned. Bring your lunch, water jug, gloves and bug spray.

Club picnic is that evening at the Bobby Thompson Campground. The club will provide the meat for a barbecue. Please RSVP to Dave Hardin at 631-7942.
