## Board Meeting

The Board members met Friday to discuss several improvements for 2003. You'll see a greater emphasis on the work trip, Show & Shines in WY & CO, shop parties, and an RTI ramp. We are excited about the new year and where we are going with the club. Bring you ideas and elbow grease...2003 will be a great year for RC4W.

## Officer Change

At the January meeting, John Stone and Dewey Williams switched leadership positions. Dewey will now serve as the Treasurer and John will serve as a Board Member during 2003.

# The Top Dog Challenge 2003...

The Top Dog Challenge was developed by RC4W club members in 1998 to encourage four wheeling and honor the elite group of members who hit the trails on a regular basis. The 2003 Board has just added another requirement members will need to meet to earn Top Dog status. The Board members want the Top Dog Challenge to represent what the club really stands for..... consistent commitment to the sport of four-wheeling and commitment to the responsible use of the lands we play on. Here's how you earn it:

- You must go on the annual work trip.
- Plus you, and your rig, have to make 7 club runs during 2003.
- 'Passenger' status does not count.
- You must be driving your rig.
- A Top Dog qualified club run is any regularly scheduled monthly club run (3rd Saturday).

*Wanna Play?*
